

AFRICA INVESTMENT GROUP IS
REGISTERED IN THE DEMOCRATIC
REPUBLIC OF CONGO AND IN SOUTH AFRICA.

Africa Investment Group,

the partnership you need to unlock your business potential. Our easy to use online directory gives you a competitive advantage and connects you to potential global clients and investors.

Business introduction

Welcome to Africa Investment Group your number one strategic investment platform in Africa. We're dedicated to providing you with the finest of African reserves. Our focus is to optimise investors' return, establish and nurture long-term partnerships and stimulate economic growth using and stimulate economic growth using African reserves.

Where we Operate

Africa Investment Group is registered in the Democratic Republic of Congo and in South Africa. The company is currently operating in many other African countries such as Central Africa Republic, Zimbabwe and Zambia.

Africa Investment Group History

officially launched by a group of investors following the successful acquisitions of concession permits and government mandate . The business was initiated with a simple vision: To be the largest and most efficient listing of investment opportunities in Africa.

Our Mission

- To provide a credible and profitable environment for our investors.
- To create a sustainable opportunity for African economies and surrounding communities.
- To maximise opportunities of access to vast numbers of resources.
- To maintain the highest level of production and cooperation between private investors and government.

Our Charity

We believe that the best place for each child is within a family, and that the best way to support families is to enable their community to provide support. Through our interdenominational NGO partners, we provide care and support to vulnerable children and families.

Advisory Services

Our Services

We facilitate and provide ease of access to formal meetings with key decision makers, including government officials, investors and land owners through our subsidiary companies. Through AJG we also offer mineral asset acquisition and brokerage services. We pride ourselves in providing professional and quality services through our subsidiary companies. Our clientele is made up of government departments, corporates and private individuals.

Close Protection Services

Due to the nature of some businesses and the rising crime rate, there is a growing need for close protection security. Protect your company's current and future profitability by safeguarding your people, investors and assets.

- ⊕ *We will provide your executives and staff with a safe and secure business environment.*
